### About This Video

A journey from the Forest, to the Stage... Stars collide as John Good (known as the 'Wood Whisperer') crafts one of the most epic drum-sets of all time: The R40 played by Neil Peart on their final RUSH tour, made from a Romanian Bog Oak that is over 1500 years old! Through the eyes of some of the world's most inspirational drummers ( John "JR" Robinson, Neil Peart, Duncan Phillips, Tommy Clufetos, Blair Sinta, Cobus Potgieter, Mona Tavakoli, Paul Wertico and many more) we peel back the curtain on the art of drum-making. Experience the interplay between Maker and Artist that blends passion with science in crafting one of the world's most powerful instruments. Retrace the footsteps of humble beginnings for DW drums with Jeremy Bout (Edge Factor), that ultimately lead to the pivotal discovery that revolutionized the world of drumming forever! Immerse yourself in an inspirational journey of failure turned into success; where death gives birth to new life, and the world's greatest dreamers step into destiny to take their place along the "Masters of Resonance".
